

# PRESENTATION TIPS

1.

Maintain Eye contact with audiences.

2.

Concentrate on your core message.

3.

Use consistent formatting

4.

Use open gesture.

5.

Do not forget to make variations in tone, pace and volume.

6.

Remember to stop and breathe between ideas.

7.

*breathe*

Keep a glass of water while presenting in case you get dry mouth.

8.

Use animations effectively

9.

Make verbal contact with audiences to acknowledge them.

10.

Practice Practice Practice!
